TERMS USED IN THE QUESTIONNAIRE

A number of terms are used throughout the questionnaire. Definitions are provided below. Please note that these definitions are exclusively intended to assist in clarifying the terms used in this questionnaire. These terms will be underlined the first time they are used in this questionnaire.

- **Structure of the NCP:** The organisational set up of the NCP. Four NCP structures have been pre-identified, but other arrangements are possible:
 - Single-agency: The NCP is composed of one individual in a single ministry, or by a group of individuals belonging to the same service in the same ministry.
 - Inter-agency: The NCP is composed of a group of representatives from several ministries or government agencies.
 - Expert-based: The NCP is composed of experts who are external to government.
 - Multipartite: The NCP is composed of a group of government officials and stakeholder representatives.
- **Secretariat:** Government officials or group of government officials acting as the permanent office of an NCP.
- **Advisory body:** Some NCPs have an advisory body which can be consulted by the NCP on a range of activities and issues on which it provides advice. Advisory bodies can include representatives from trade unions, NGOs, business and/or academia, along with representatives of other government ministries or agencies. They do not normally form part of the NCP and do not have decision-making power on accepting or concluding specific instances. Some advisory bodies also provide oversight to the NCP (see below).
- **Oversight:** Monitoring of the NCP’s activities performed by an Advisory body, for example on whether the NCP has followed its own rules of procedures.
- **Dedicated budget:** A budget that is allocated to the NCP on a regular basis (e.g. every year) to carry out its functions and activities.
- **Reporting:** In addition to the present report to the OECD, some NCPs provide a regular account of their activities to their national government or parliament. This reporting can take several forms: ongoing through regular reporting channels, or through the presentation of a periodic report, which may be made public.
